

1.

Gil Viry (Sociologue)

Gil Viry is Lecturer in Sociology at the University of Edinburgh. His research focuses on the role of space and spatial mobilities on family and personal relationships, social inclusion and the life course. His approach to family life in space and time includes the spatiality of personal networks and mobility biographies using social network and sequence analysis. He is currently working on some interdisciplinary projects using advanced methods of social network analysis for analysing the geography of personal networks. Since 2013, he has been leading the Social Network Analysis in Scotland (SNAS) Research Group.
